PLAINTIFFS' MOTION FOR FINAL
APPROVAL OF CLASS ACTION
SETTLEMENT**

24 Date: January 14, 2015
25 Time: 11:00 a.m.
26 Place: Courtroom 210
27 Judge: Hon. Saundra B. Armstrong

1 I, Greg Marliave, hereby declare pursuant to 28 U.S.C. § 1746 that the following is true and
2 correct:

3 1. I am a Sr. Accounts Director at Everlaw, the ESI vendor in the above-captioned
4 litigation. I submit this Declaration in support of Plaintiffs' Motion for Final Approval of Class
5 Action Settlement.

6 2. On January 8, 2015, the Court requested Class Counsel to provide detailed billing and
7 an explanation of the costs associated with warehousing and reviewing the documents produced by
8 Aurora in this case. Class Counsel has asked me to respond on behalf of Everlaw.

9 3. Everlaw's billings to Class Counsel in this case totaled \$144,703. The billings were
10 all paid in full by Hagens Berman.

11 4. The total cost per GB per month to use Everlaw, including all of our fees, was \$12.94.

12 5. The costs incurred for hosting in this case are at or below market rates for comparable
13 services that we are aware of.

14 6. Attached hereto as Exhibit A is a detailed billing report. It shows a comparison of the
15 costs Hagens Berman would have incurred under bids that were made available to us in 2012, the
16 year hosting began on this case. Everlaw's costs were below any of the competitors, and amounted
17 to a 60% savings compared to the average bid.

18 7. It also details the scope of the work done: the database reached 568 GB and lasted for
19 25 months. Over that period a total of 11,181 GB-months of storage were provided by Everlaw.

20 The foregoing is declared to be true under the penalty of perjury.

21
22 Dated: January 9, 2015.
